

Covenant of Care for Trinity Episcopal Church

As an individual and/family who attends Trinity Episcopal Church, I/we covenant to work with fellow church leaders, parishioners, family and friends to keep our community safe and healthy.

I/we covenant to . . .

- Wear a face mask covering nose and mouth as a symbol of love and care for others.
- Keep six feet apart from others, leaving room for God to work in the in-between spaces.
- Honor and respect the sacredness of each person in this space and to stay if feeling unwell, knowing God is with us wherever we are, whether inside or outside the walls of the church.
- Work together with my church family in creating a safe and healthy space to worship as one body, united in God's love. Acknowledging the hard work ahead, and the commitment to care for one another.

I/we pledge to honor the worshipping community, musicians, staff and clergy by following this covenant with the understanding that my actions are important to the wellbeing of my church.

I/we understand that any failure to follow this covenant during a community gathering or worship service will result in the activity or service being immediately ended so that the community can be kept safe.

Together, we as the church, covenant to care and love one another in new and different ways. Embracing God's still-speaking voice.
